

Top 20 Engineering Colleges in Pune

A Reference Guide for College Admission Agent (AICTE Problem Statement No. 4)

This guide compiles key admission-related information for the top 20 engineering colleges in Pune, ranked starting from College of Engineering Pune (COEP) and moving down according to overall reputation, NIRF/agency rankings, and placement outcomes. It is designed as a ready reference/knowledge base for building a **College Admission Agent (RAG-based)** as described in AICTE Problem Statement No. 4 – where a Retrieval-Augmented Generation agent retrieves and summarizes admission policies, eligibility criteria, fee structures, and placement FAQs to help prospective students.

For each college, the following key factors are covered: **eligibility criteria, fee structure, courses offered, internship opportunities, average package, highest package, and companies that visit for placements**. A consolidated checklist of important documents required during admission is provided at the end of this guide.

Disclaimer: Figures for fees, average/highest packages, and companies visited vary year to year, branch to branch, and category to category. Data here is indicative/approximate, compiled from publicly available college and ranking-portal information as of 2026. Always verify exact, current figures on each college's official website or admission brochure before making decisions.

Top 20 Engineering Colleges in Pune – Detailed Profiles

#1. College of Engineering Pune (COEP Technological University)

Government Autonomous | Est. 1854 | NIRF Engg. Band ~50-80

Eligibility Criteria	10+2 with PCM; admission via MHT-CET or JEE Main. General category CSE cutoff ~99.8+ percentile (MHT-CET).

Important Documents Checklist for Admission

Keep the following documents ready (originals + photocopies, and scanned copies for online CAP registration) when applying to engineering colleges in Pune through MHT-CET / JEE Main / CAP rounds:

- 10th (SSC) Mark sheet and Passing Certificate
- 12th (HSC) Mark sheet and Passing Certificate
- MHT-CET / JEE Main Scorecard and Admit Card
- CAP (Centralized Admission Process) Allotment Letter
- School/College Leaving Certificate (LC) / Transfer Certificate (TC)
- Domicile Certificate (Maharashtra residency proof, if applicable)
- Caste Certificate & Caste Validity Certificate (for reserved category candidates)
- Non-Creamy Layer Certificate (for OBC/SBC/NT candidates, if applicable)
- Income Certificate (for fee concession / scholarship schemes such as EBC, EWS)
- Aadhaar Card (identity proof)
- Passport-size photographs (as specified by the college/CAP)
- Gap Certificate / Affidavit (if there is a gap year between 12th and admission)
- Physical Fitness / Medical Certificate (required by some institutes)
- Migration Certificate (for candidates from boards outside Maharashtra)
- Nationality Certificate / Birth Certificate
- PWD (Persons with Disability) Certificate, if applicable
- Defence/Ex-servicemen ward certificate (for institutes like AIT with reserved quota)
- Bank account details / fee payment receipts

Tip: Most Maharashtra CAP rounds require document verification either online (self-attested uploads) or at designated Facilitation Centres (FCs). Keep at least 4-5 photocopies of every document and multiple passport photographs handy, as several rounds and colleges may each require a fresh set.
